## **RECYCLING SERVICE DAY CHANGE**

Dear Residents,

We are pleased to notify you that our **recycling** collection day with EnviroGreen will be changing to Fridays beginning in January, in order to coincide with Friday trash collection. As a reminder, trash is collected twice per week on Tuesdays and Fridays, with recycling collected once per week.

*Please note there will be a one day collection delay the first week of January due to the holiday. Trash will be collected that week on Wednesday and Saturday, with recycling collected on Saturday as well.*

Please be sure to place your trash and recycling at the curb the evening before the scheduled pickup day, but no earlier than 6:00 p.m. Once collection has occurred, your recycling bin must be returned inside your home by 8:00 p.m. that day.

To schedule a bulk pickup, please contact the trash company at 215-343-1662. Our service includes one (1) bulk item per unit per month without additional charge. A fee may apply though for special items. Any associated fee is the responsibility of the resident requesting the service, not the Association. Please be sure to schedule pickup of your bulk item before placing it out for collection.

Please review and keep handy the enclosed holiday collection schedule and the recycling information flyer. *You can also check out the trash company's website to review more detailed information about what items are and are not permitted in your garbage or recycle container;* [www.EnvirogreenRecycle.com](http://www.EnvirogreenRecycle.com)

If you have any questions, please contact our Property Manager at 215-343-1550.

Sincerely,

Board of Directors
